

DREAMS LOS CABOS

Dreams Los Cabos is the only all-suite ocean front resort adjacent to two championship golf courses and overlooking the Sea of Cortez. This premiere resort offers casual elegance and adds the crowning touch to Cabo's most deluxe hotels. It features a large, majestic freeform swimming pool, full service spa and fitness center. The open-air hacienda-style of this resort combines distinctive Mexican decor, spacious and beautifully decorated ocean-view suites with panoramic views of the ocean and Mexico's most exotic landscape.

The resort provides sensual romance and relaxed ambiance for couples, families and friends. Activity options are abundant, but if relaxation is what you're looking for, there's a secluded spot and lounge chair waiting for you. And, it's all-inclusive (no wristbands needed)! All food and beverages are included throughout your stay, including 24-hour room service.
