Senior Centers – Local community senior centers

Parishes – Many have 55 and older clubs

Community Networking Events – Chamber of Commerce, Rotary Clubs, etc. as a guest speaker

## **Check out [needymeds.org](http://needymeds.org)**

This website is a wealth of information, from drug info, drug assistance programs, free discount cards, coupons for over the counter items, and more.

The discount card is free to print out and give to seminar attendees (not a bad idea to link this site on your own website)
