

When insuring your home, would you only get coverage for **ONE** room?

Think of coverage for **YOURSELF** in the same way - because you and your family are more important than your home!

Pictured here are the four main areas of risk that we can help you prepare for.

Hospital & Medical Expenses

- Traditional Medicare alone only covers up to **80%** of all hospital / medical expenses
- Once you turn 65, your chances of ending up in the hospital increase by over **200%***

Cancer Expenses

- In 2016, there were **1,685,210** new cancer cases*
- **60%** of these cases were individuals aged 65+*
- **85%** of clients hit their MOOP when diagnosed with Cancer

*www.cancer.org

Final Expenses

- **100%** of people will need final expenses!
- Funeral / burial costs average around **\$7848***
- Have you considered other medical bills, taxes, mortgage, debts, etc. that you may leave behind?

Recovery Care Expenses

- **70%** of seniors need some form of recovery care in lifetime*
- **Home Health Care** - Avg. length of service required is 41 days*
- **Nursing Home Care** - Avg. stay until discharge is 270 days*
