UHC Disclaimer

Upon completing my United Healthcare contracting with Senior Marketing Specialists, I acknowledge that I have read and understand the following conditions:

1. I must complete product certification within 90 days of completing contracting to sell any United Healthcare product **including Medicare supplements**. If certifications are not completed during that timeline, I understand the contract will be closed and new contracting will be needed to sell in the future.
2. I must complete annual product certifications every year between July and December after my initial product certification to remain active and receive renewal commissions
3. I understand that I must place at least one sale of a Medicare Supplement, PDP, or MA plan with an effective date between July 1st through April 1st of the following year or I will be subject to an administrative fee of up to \$250 per agent per year. Note the following common exceptions to this policy:
 - Agents that enter servicing status effective no later than the last day of the evaluation period
 - Agents newly contracted on or after Dec. 1 of the current evaluation period, are excluded from their initial evaluation period; however, they will be included in the next annual evaluation period.
