

USING THE MATERIALS

CMS and insurance carriers have various rules and regulations depending on the application of the products used.

Please be advised, any seminar performed for Medicare beneficiaries that reviews Medicare Part C (Medicare Advantage plans) or Medicare Part D (prescription drug plans) in any way is required to be registered by the agent with a contracted insurance carrier and adhere to any and all seminar and compliance guidelines.

Any generic presentations or materials are not CMS or carrier approved.

Senior Marketing Specialists and any of its partner organizations are not responsible for any violations, sanctions, or disciplinary actions imposed to an agent or agency for use of the materials. Agent and agencies are ultimately responsible and accountable for use of any materials.
