2. An applicant can have more than one Cancer policy/rider in force as long as the combined total for the base plan and any riders do not exceed the maximum benefit amount.
 - 2a. An additional Precision Care policy can be issued without minimum premium requirements. The existing Cancer policy must remain in force.
 - 2b. ***For an existing insured that has the maximum cancer coverage and wants to add Precision Care Cancer coverage, they can apply for \$2,500 or \$5,000 of coverage in addition to their current coverage.**
3. Dependents who are 17 years or younger can be added as a dependent to the policy. A dependent is defined as the natural born child of the applicant or dependents who are legally adopted or the applicant is the legal guardian. A dependent child cannot have more coverage than the parent. (Child Rider rates cover all children under the age of 18 listed on the application.)
