DESIGNED WITH YOUR RECOVERY IN MIND

Cancer Insurance

Underwritten by
Mutual of Omaha Insurance Company

Simple & Direct

With a cancer diagnosis comes the reality of medical bills, the cost of high deductibles, time off for treatments and money for living expenses. Cancer Insurance helps you to focus on your treatment, not your finances.

Cancer Insurance

With direct payment to you, Mutual of Omaha Insurance Company's (Mutual of Omaha's) Cancer Insurance may help you feel safe and secure with your treatment approach in times of need.

Should you be diagnosed with any of the conditions covered, a one-time, lump-sum payment is sent to you, not the health care provider. No receipts or medical bills are necessary.

Did you know?

Nearly 1 in 3 women and 1 in 2 men are expected to develop cancer during their lifetime.¹ With medical advances and the ability to diagnose cancer at an earlier stage, you and your family members are more likely to survive a cancer diagnosis.

In 2019, the national patient economic burden associated with cancer care was \$21.09 billion, made up of patient out-of-pocket costs of \$16.22 billion and patient time costs of \$4.87 billion.²

When cancer strikes, you have enough to worry about. Get back to living well. Let our cancer insurance policy help you cover the costs as you focus on recovery.

can focus on your treatment and
recovery, not your finances.**
