Read on to learn more about Gerber Life Guaranteed Life.

WHY SHOULD MY CLIENTS CONSIDER PURCHASING A GERBER LIFE GUARANTEED LIFE POLICY?

Whether your clients have existing life insurance coverage or none at all, a Gerber Life Guaranteed Life policy can help fill the gaps in life insurance protection. Your clients can get up to \$25,000² in life insurance coverage at reasonably priced rates, which can help cover the cost of funeral expenses, unpaid medical bills, loan balances, credit card bills, and other outstanding debt. Even if your clients already have life insurance, they may be underinsured. Inflation may have cut its value over the years, so the insurance they bought even a few years ago may not be sufficient for their needs. A Gerber Life Guaranteed Life policy is a great way to help counter the effects of inflation if your clients have an existing life insurance policy or to put coverage in place where nothing exists today. Plus, with the cost of a funeral averaging over \$7,800³, a Gerber Life Guaranteed Life policy can help your clients alleviate the burden of final expenses on their families.

IS THE INSURANCE PROTECTION GUARANTEED FOR MY CLIENTS?

Yes. If your clients are U.S. Citizens or permanent legal residents between ages 50 to 80 (ages 50 to 75 in New York), they can select from \$5,000 up to \$25,000² in life insurance protection and have it last an entire lifetime, as long as premiums are paid.⁴ Their spouse or partner, if age 50 to 80 (age 50 to 75 in New York), also can get up to \$25,000² in guaranteed benefit protection.

IS THERE ANY CHANCE OF MY CLIENTS BEING DECLINED FOR COVERAGE?

Regardless of their health, your clients can't be turned down. An important feature is that **no health exam is necessary and no health questions will be asked.**

WHAT IS THE GRADED DEATH BENEFIT LIMITATION?

If death occurs within the first two policy years, for any reason other than an accident, all premiums shall be paid to the beneficiary, plus an additional 10% of earned premium.⁵ If death is due to accidental causes within the first two policy years, the full death benefit is paid.

DOES THE POLICY BUILD CASH VALUE?

Yes. The longer your clients own the policy, the more cash value the policy accumulates, as long as premiums are paid. The cash value will be reduced by any outstanding policy loans. The policy loan interest rate is 8%.

The full death benefit amount is only paid after the first two years of coverage.

⁴ Policy will remain in force as long as payments are made on time and within the Grace Period specified in the policy. The cash value and death benefit will be reduced by any policy loans. The policy loan interest rate is 8%.

⁵ If death is by suicide within two years from the Issue Date (one year in ND), the only amount payable will be all premiums paid for the policy plus an additional 10% of earned premium, less any debt against the policy.
