IMPORTANT INFORMATION ABOUT THE COVERAGE YOU ARE BEING OFFERED

Save this statement! It may be important to you in the future. The Washington State Insurance Commissioner requires that we give you the following information about fixed payment benefits.

This coverage is not comprehensive health care insurance and will not cover the cost of most hospital and other medical services.

This disclosure provides a very brief description of the important features of the coverage being considered. It is not an insurance contract and only the actual policy provisions will control. The policy itself will include in detail the rights and obligations of both the master policyholder and Continental Life Insurance Company of Brentwood, Tennessee.

This coverage is designed to pay you a fixed dollar amount regardless of the amount that the provider charges. Payments are not based on a percentage of the provider's charge and are paid in addition to any other health plan coverage you may have.

CAUTION: If you are also covered under a High Deductible Health Plan (HDHP) and are contributing to a Health Savings Account (HSA), you should check with your tax advisor or benefit advisor prior to purchasing this coverage to be sure that you will continue to be eligible to contribute to the HSA if this coverage is purchased.

Payment options

You have a choice among several payment options or modes for paying your premium – annual, semi-annual, quarterly, and monthly bank draft. Each payment mode, other than annual and monthly bank draft, results in higher total yearly premium costs. Reasons for higher costs include added collection and administrative costs, time value of money considerations, and lapse rates.

The annual and monthly bank draft modes have the same total yearly premium costs. As a result, there is a time value of money advantage to you for paying monthly versus annually. However, there may be other advantages to you for choosing an annual payment based on your preferences. Your agent can explain the differences in modes and help you decide which is best for you. You have the right to change your payment mode, among the modes available, during the life of your policy.
