Comments on medical conditions or medications-

**Section E. Disclosure, Acknowledgements, and Agreement**

**Disclosure:**

1. You do not need more than one Medicare Supplement policy.
2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
3. You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
4. If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of the suspension.
5. If you are eligible for and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of the suspension.
6. Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

The accountholder of the method of payment provided during this enrollment process authorizes and requests the Insurer, or its designee, to initiate automatic payments against such indicated payment method for the payment of premiums and other indicated monthly dues included in the plan(s) being purchased during this enrollment process. Accountholder agrees that the electronic payment authorization for such automatic payments may be terminated by providing written notice to the Insurer. If the payment dates fall on a weekend or holiday, I understand that the payments may be executed on the previous business day. ## **National Health Insurance Company**

PO Box 1070, Winston-Salem, NC 27102-1070

### **PREMIUM INFORMATION**

We, National Health Insurance Company, can only raise your premium if we raise the premium for all policies like yours in this State. We will not change the premiums for this policy during your first year of coverage. Thereafter your premium will increase each year based on your age at that time. No rate adjustment may be made on an individual basis. Also, your renewal premiums may change on a renewal date following the Effective Date of any change in the deductible and/or coinsurance amounts which you are required to pay under Medicare. Any such premium change will be based on the actuarial computations that we then use to determine the renewal premium.

### **DISCLOSURES**

Use this outline to compare benefits and premiums among policies, certificates and contracts.

### **READ YOUR POLICY VERY CAREFULLY**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

### **RIGHT TO RETURN POLICY**

If you find that you are not satisfied with your policy, you may return it to us at: P.O. Box 1070, Winston-Salem, NC 27102-1070. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued, and return all of your payments.

### **POLICY REPLACEMENT**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

### **NOTICE**

This policy may not fully cover all of your medical costs. Neither National Health Insurance Company nor its agents are connected with Medicare. This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult "The Medicare Handbook" for more details.

### **COMPLETE ANSWERS ARE VERY IMPORTANT**

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.
