¹ Plans F and G also have a high deductible option which require first paying a plan deductible of \$2700 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

PREMIUM INFORMATION

We, National Health Insurance Company, can only raise your premium if we raise the premium for all policies like yours in this State. We will not change the premiums for this policy during your first year of coverage. Thereafter your premium will increase each year based on your age at that time. No rate adjustment may be made on an individual basis. Also, your renewal premiums may change on a renewal date following the Effective Date of any change in the deductible and/or coinsurance amounts which you are required to pay under Medicare. Any such premium change will be based on the actuarial computations that we then use to determine the renewal premium.

HOUSEHOLD PREMIUM DISCOUNT

If you resided with at least one, but no more than three other adults for the past year, you will be eligible for a household premium discount of 7%. Your policy's household premium discount will be removed and your premium will increase if the other adult no longer resides with you (other than in the case of his or her death).

DISCLOSURES

Use this outline to compare benefits and premiums among policies, certificates and contracts.

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

RIGHT TO RETURN POLICY

If you find that you are not satisfied with your policy, you may return it to us at: P.O. Box 1070, Winston-Salem, NC 27102-1070. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued, and return all of your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

NOTICE

This policy may not fully cover all of your medical costs. Neither National Health Insurance Company nor its agents are connected with Medicare. This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult "The Medicare Handbook" for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.
