2.	If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
3.	You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
4.	If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of the suspension.
5.	If you are eligible for and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of the suspension.

Health Information Authorization

This Authorization complies with the HIPAA Privacy Rule

I authorize any health plan, physician, health care professional, hospital, clinic, laboratory, pharmacy, benefit manager, medical facility, or other health care provider that has provided services, treatment or payment to me, or on my behalf, within the past 10 years ("My Providers"), or consumer reporting agency, to disclose my entire medical record and any other protected health information concerning me to National Health Insurance Company ("NHIC") and its agents, employees and representatives. This includes information on the diagnosis or treatment of Human Immunodeficiency Virus (HIV) infection and sexually transmitted diseases. This also includes information on the diagnosis and treatment of mental illness and the use of alcohol, drugs, and tobacco, but excludes psychotherapy notes and excludes information related to genetic tests or genetic services (except to pay a claim related to such tests or services).

In addition I authorize MIB, Inc., and any MIB member insurer, to provide any medical or personal information that it has about me to NHIC, its reinsurer or any MIB-authorized third-party administrator performing underwriting services on NHIC's behalf. I also authorize NHIC, its reinsurer or authorized third-party administrator, to make a brief report of my personal health information to MIB, Inc.

By my signature below, I acknowledge that any agreements I have made to restrict my protected health information do not apply to this Authorization and I instruct any physician, health care professional, hospital, clinic, medical facility, or other health care provider to release and disclose my entire medical record without restriction.

My protected health information is to be disclosed under this Authorization so that NHIC may: 1) underwrite my application for coverage, make eligibility, risk rating, policy issuance and enrollment determinations; 2) obtain reinsurance; 3) administer claims and determine or fulfill their responsibility for coverage and provision of benefits; 4) administer coverage; and 5) conduct other legally permissible activities that relate to any coverage I have or have applied for with NHIC.

For a period of 120 days from the date of this Authorization I authorize my NHIC Producer to receive certain protected health information about me that is related to an adverse underwriting decision or counteroffer for alternative coverage made during the underwriting of my application.

This Authorization shall remain in force for 30 months following the date of my signature below, and a copy of this Authorization is as valid as the original. I understand that I or my personal representative have a right to receive a copy of this authorization. I understand that I have the right to revoke this Authorization in writing, at any time, by sending a written request for revocation to: NHIC at PO Box 1070, Winston-Salem, NC 27102-1070, Attention: Privacy Officer. I understand that a revocation is not effective to the extent that any of My Providers has relied on this Authorization or to the extent that NHIC has a legal right to contest a claim under an insurance policy or to contest the policy itself. I understand that any information that is disclosed pursuant to this Authorization may be redisclosed and no longer covered by federal rules governing privacy and confidentiality of health information.

I understand that My Providers may not refuse to provide treatment or payment for health care services if I refuse to sign this Authorization. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

National Health Insurance Company

PO Box 1070, Winston-Salem, NC 27102-1070

PREMIUM INFORMATION

We, National Health Insurance Company, can only raise your premium if we raise the premium for all policies like yours in this State. We will not change the premiums for this policy during your first year of coverage. No rate adjustment may be made on an individual basis. Also, your renewal premiums may change on a renewal date following the Effective Date of any change in the deductible and/or coinsurance amounts which you are required to pay under Medicare. Any such premium change will be based on the actuarial computations that we then use to determine the renewal premium.

DISCLOSURES

Use this outline to compare benefits and premiums among policies, certificates and contracts.

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

RIGHT TO RETURN POLICY

If you find that you are not satisfied with your policy, you may return it to us at: PO Box 1070, Winston-Salem, NC 27102-1070. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued, and return all of your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

NOTICE

This policy may not fully cover all of your medical costs. Neither National Health Insurance Company nor its agents are connected with Medicare. This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult "The Medicare Handbook" for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.
