I hereby authorize Humana to initiate debit/credit entries to my checking/savings account or my credit card account, as indicated above, in amounts appropriate to my coverage; and authorize the bank named above to debit/credit the same to such account. I authorize Humana to change the amount of the debit/credit, provided that I am given advance written notice. □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □

I understand that if my application is not submitted during an open enrollment or guaranteed issue period, Humana has the right to reject my application and any premiums paid will be refunded. I also understand that the policy will not pay benefits for stays beginning or medical expenses incurred during the first three months of coverage if they are due to conditions for which medical advice was given or treatment recommended by or received from a physician within six months prior to the insurance effective date. Coverage is not limited if you enroll during an open enrollment or guaranteed issue period or satisfy the creditable coverage requirements.

Any person who, with intent to defraud or knowing that he or she is facilitating a fraud against an insurer, submits an application or files a false or deceptive statement may be subject to prosecution for fraud.

The undersigned applicant certifies that the applicant has read, or had read to him or her, the completed application and that the applicant realizes that any false statement or misrepresentation in the application may result in loss of coverage under the policy. The applicant further acknowledges receipt of the currently available Outline of Coverage and the "Choosing a Medigap Policy: A Guide to Health Insurance for People with Medicare" publication.

If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare "Part D" while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

If you are eligible for, and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare "Part D" while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

Notice to Applicant Regarding Replacement of Medicare Supplement Insurance or Medicare Advantage

CompBenefits Insurance Company • P.O. Box 14309, Lexington, KY 40512-4309

Save this notice! It may be important to you in the future.

According to information you have furnished, you intend to terminate existing Medicare Supplement or Medicare Advantage insurance and replace it with a policy/certificate to be issued by CompBenefits Insurance Company. Your new policy/certificate will provide 30 days within which you may decide - without cost - whether you desire to keep the policy/certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If after due consideration, you find that purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement to the Applicant by Issuer, Agent (Broker or other Representative)

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare Supplement policy will not duplicate your existing Medicare Supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan.

The replacement policy/certificate is being purchased for the following reason (check one):

- | | |
|---|--|
| <input type="checkbox"/> additional benefits | <input type="checkbox"/> no change in benefits, but lower premiums |
| <input type="checkbox"/> fewer benefits and lower premiums | <input type="checkbox"/> other (please specify) |
| <input type="checkbox"/> my plan has outpatient prescription drug coverage and I am enrolling in Part D | _____ |
| <input type="checkbox"/> disenrollment from a Medicare Advantage plan (please explain reason for disenrollment) | _____ |

1. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.
3. If you still wish to terminate your present policy/certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy/certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy/certificate until you have received your new policy/certificate and are sure that you want to keep it.
