<sup>1</sup> Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High Deductible Plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

<sup>2</sup> Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

<sup>3</sup> Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

## **Premium Information**

We, CompBenefits Insurance Company, can only change the renewal premium for your policy if we also change the renewal premium for all policies that we issue like yours in this State. No change in premium will be made because of the number of claims you file, nor because of a change in your health or your type of work.

This is an attained age rated policy, which means that your premiums will increase based on age. Your attained age premium increase will go into effect on the first monthly renewal date which falls on or follows the policy annual anniversary date. The premium increase will be based on your age attained on or before the last day of the renewal calendar month. A premium change will not be made more than once in a 12-month period. Premium discounts may be applied or discontinued based on eligibility.

## **Standard/Preferred**

During Open Enrollment and Guaranteed Issue periods, the preferred rate applies. If you are not applying during open enrollment or qualify for guaranteed issue, a standard rate will be applied if you have used tobacco products within the last 12 months or you qualified for Medicare coverage prior to age 65.

## **Household Discount**

You are eligible for a premium discount if in your household you reside with at least one other Medicare-eligible person and that person owns or is issued a Medicare Supplement insurance policy by us.

Household is defined as a condominium unit, a single family home, or an apartment unit within an apartment complex.

We reserve the right to make changes to the premium discount structure. If a change to the discount structure occurs to your policy, it will affect all policies we issue like yours.

The household premium discount will be removed if the other Medicare Supplement insurance policyholder whose policy status entitles you to the discount no longer resides with you, their policy is voluntarily or involuntarily terminated or upon their death. This premium change will occur on the billing cycle following the date we learn your eligibility has ended.

## **Disclosure**

Use this outline to compare benefits and premiums among policies.

## **Read your policy very carefully**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

## **Right to return policy**

If you find that you are not satisfied with your policy, you may return it to:

CompBenefits Insurance Company  
Attn: Medicare Enrollments  
P.O. Box 14168  
Lexington, KY 40512-4168

If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments less any claims paid.

## **Policy replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

## **Notice**

This policy may not fully cover all of your medical costs.

Neither CompBenefits Insurance Company nor its agents are connected with Medicare.

This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult the "Medicare & You" handbook for more details.

## **Complete answers are very important**

When you fill out the application for the new policy, be sure to truthfully and completely answer all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

During this time the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

### Medicare (Part B) - Medical Services - Per Calendar Year

**\*\*NOTICE:** When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

### Medicare (Part B) - Medical Services - Per Calendar Year

\* Once you have been billed \$240 of Medicare-approved amounts for covered services (which are noted with an asterisk), your Part B deductible will have been met for the calendar year.

## High Deductible Plan G

### Medicare Part A - Hospital Services - Per Benefit Period

\* A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

\*\* This high deductible plan pays the same benefits as Plan G after you have paid a calendar year \$2,800 deductible. Benefits from the high deductible plan G will not begin until out-of-pocket expenses are \$2,800. Out-of-pocket expenses for this deductible include expenses for the Medicare Part B deductible, and expenses that would ordinarily be paid by the policy. This does not include the plan's separate foreign travel emergency deductible.

**\*\*\*NOTICE:** When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

## High Deductible Plan G

### Medicare Part B - Medical Services - Per Calendar Year

\* Once you have been billed \$240 of Medicare-approved amounts for covered services (which are noted with an asterisk), your Part B deductible will have been met for the calendar year.

\*\* This high deductible plan pays the same benefits as Plan G after you have paid a calendar year \$2,800 deductible. Benefits from the high deductible plan G will not begin until out-of-pocket expenses are \$2,800. Out-of-pocket expenses for this deductible include expenses for the Medicare Part B deductible, and expenses that would ordinarily be paid by the policy. This does not include the plan's separate foreign travel emergency deductible.

**\*\*NOTICE:** When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

### Medicare (Part B) - Medical Services - Per Calendar Year

\* Once you have been billed \$240 of Medicare-approved amounts for covered services (which are noted with an asterisk), your Part B deductible will have been met for the calendar year.
