Medicare Supplement Insurance

The Wisconsin Insurance Commissioner has set standards for Medicare supplement insurance. This policy meets these standards. It, along with Medicare, may not cover all of your medical costs. You should review carefully all policy limitations. For an explanation of these standards and other important information, see the "Wisconsin Guide to Health Insurance for People with Medicare" included in this package. Do not buy this policy if you did not get the guide.

Premium Information

We can only raise your premium if we raise the premium for all policies like yours in this state. No change in premium will be made because of the number of claims you file, nor because of a change in your health or your type of work.

If you are rated as age 65 or older, this is an attained age rated policy, which means that your premiums will increase based on age. Your attained age premium increase will go into effect on the first monthly renewal date which falls on or follows the policy annual anniversary date. The premium increase will be based on your age attained on or before the last day of the renewal calendar month. A premium change will not be made more than once in a 12-month period.

If your policy was issued as an under age 65 policy, due to disability, when you turn 65 premiums will remain at the disabled rates. Also, if your residence changes such that you move into a new rating area, your rates may be adjusted.

Premium discounts may be applied or discontinued based on eligibility.

Disclosure

Use this outline to compare benefits and premiums among policies.

Read your policy very carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Neither Empheys Insurance Company nor its agents are connected with Medicare.

Right to return policy

If you find that you are not satisfied with your policy, you may return it to:

Empheys Insurance Company
Attn: Medicare Enrollments
P.O. Box 14168
Lexington, KY 40512-4168

If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments directly to you.

Policy replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

This policy may not fully cover all of your medical costs.

This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult the "Medicare & You" handbook for more details.

If, as of the date of application, You had a Continuous Period of Creditable Coverage or had prior coverage under a Medicare Supplement policy for at least 90 days, we will not exclude benefits based on a Preexisting Condition. If, as of the date of application, You had a Continuous Period of Creditable Coverage or had prior coverage under a Medicare Supplement policy for less than 90 days, we will reduce the period of the preexisting condition limitation by the time covered under such prior coverage.

For services not covered by Medicare, we determine the usual, customary, and reasonable reimbursement amounts taking into account the area where You live and the circumstances of the care rendered. The determination includes fees charged by the provider for the service to the majority of his or her patients, the normative fee billed by the majority of providers for the same procedure or service, and fee appropriateness given the service (taking into account the level of care and type of treatment rendered).
