I understand that this authorization will be valid for twenty-four (24) months from the date signed if used in connection with an application for an insurance policy, reinstatement of an insurance policy, change in policy benefits; or for the duration of a claim if used for the purpose of collecting information with a claim for benefits under a policy. A photocopy of this authorization will be treated in the same manner as the original.

To the best of my knowledge and belief, all of the answers to the questions contained in this application are true and complete and I understand and agree that: (a) the insurance shall not take effect unless and until the application has been accepted and approved by the Company, the full first premium has been paid, and the policy has been delivered to the applicant; and (b) oral statements between the agent and myself are not binding on the Company unless accepted by the Company in writing. The undersigned applicant certifies that the applicant has read, or had read to him/her, the completed application and that he/she realizes that any false statements or misrepresentations therein material to the risk may result in loss of coverage under the policy to which this application is a part.

**Fraud Warning:** Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance is guilty of a crime and may be subject to fines and confinement in prison.

I acknowledge receiving: (a) an Outline of Coverage for the policy applied for, and (b) a "Guide to Health Insurance for People with Medicare."
