<sup>1</sup>Plans F and G also have a high deductible option which require first paying a plan deductible \$2,800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

<sup>2</sup>Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

<sup>3</sup>Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

**Disclosure**

Use this outline to compare benefits and premiums among policies.

**Premium Information**

We, Mutual of Omaha Insurance Company, can only raise your premium if we raise the premium for all policies like yours in the state where you live. Because the premium is based on your attained age, the premium will increase each year as you age. This annual premium change will occur on the first policy renewal date which coincides with or follows the policy anniversary date. A premium change for any other reason can occur on any policy renewal date. We will give you 45 days written notice, required by your state, before we change your premium.

**Read Your Policy Very Carefully**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

**Right to Return Policy**

If you find that you are not satisfied with your policy, you may return it to 3300 Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all your payments.

**Policy Replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

**Notice**

The policy may not fully cover all of your medical costs. Neither we nor our agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

**Complete Answers Are Very Important**

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

**Exclusions**

Exclusions apply to your coverage. Please be sure to review the exclusions in your policy. This policy does not cover Part A benefits for benefit periods that begin while this policy is not in force, and other exclusions apply.

# H. Agreement and Authorization

## IMPORTANT STATEMENTS

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

- "Personal Information" means all health information, such as medical history, mental and physical condition, prescription drug records, drug and alcohol use and other information such as finances, occupation, general reputation and insurance claims information about me. Personal Information does not include Psychotherapy Notes, which are notes recorded by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a counseling session, which notes are separated from the rest of the person's medical record. Certain information, such as that relating to prescriptions, diagnosis and functional status, is not included in the term Psychotherapy Notes.
- The Personal Information will be used to determine my eligibility for insurance and to resolve or contest any issues of incomplete, incorrect or misrepresented information on my application which may arise during the processing of my application or in connection with claims for insurance benefits. This authorization will not be used if the applicant is in an open enrollment or guaranteed issue period.
- If the person or entity to whom Personal Information is disclosed is not a health care provider or health plan subject to federal privacy regulations, the Personal Information may then be subject to further disclosure by that person or entity without the protections of the federal privacy regulations.
- I understand that I may refuse to sign this application. I realize that if I refuse to sign, the insurance for which I am applying will not be issued.
- I understand that I will receive a copy of the signed application. A copy of this application is as effective as the original. I acknowledge and agree that if there is more than one applicant on this application, all information provided may be reviewed or shared with the other applicant. I understand that, upon acceptance of the completed application, each applicant will receive a separate policy and a completed and signed application will become part of each applicant's policy.

I represent that my answers and statements on this application are true and complete to the best of my knowledge and belief. I understand that my policy benefits can start no earlier than my Medicare effective date, my first month's premium has been received and/or processed and my application has been approved by Mutual of Omaha.

I acknowledge receipt of **A Guide to Health Insurance for People with Medicare** (not applicable for Direct-to-Consumer business) and an Outline of Coverage.

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE**

**Save this notice! It may be important to you in the future.**

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by Mutual of Omaha Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

**Statement to Applicant by Issuer, Agent, Broker or Other Representative:**

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason(s) (check one):

If, you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy or certificate until you have received your new policy and are sure that you want to keep it.

**OUTLINE OF COVERAGE FOR POLICY SERIES DNT2**

**INDIVIDUAL DENTAL PREFERRED PROVIDER  
ORGANIZATION (PPO) INSURANCE**

**THE POLICY PROVIDES LIMITED BENEFIT DENTAL COVERAGE ONLY.  
BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER ALL MEDICAL EXPENSES.**

**Read Your Policy Carefully** – This outline of coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

**Limited Benefit Dental-Only Insurance Coverage** – This policy is designed to provide you **ONLY** with limited benefit dental insurance coverage. Coverage is **NOT** provided for any other diseases or accidents.

**Benefits** – This is a Preferred Provider Organization (PPO) dental insurance policy that pays benefits for covered dental services provided by in-network and out-of-network dentists. It pays benefits for Diagnostic and Preventive Services, Basic Services, and Major Services. If you incur expense for a covered dental service, we will pay the coinsurance percentage of the allowed amount after you have satisfied the deductible and any applicable waiting period. Benefits payable are limited to any annual maximum benefit and lifetime maximum benefit.

Shown below is a brief summary of the dental benefits we will pay under this policy. For a full list of covered dental services and procedures, please visit our website at [www.mutualofomaha.com/individual-dental](http://www.mutualofomaha.com/individual-dental).

**DENTAL BENEFITS SUMMARY**

DEDUCTIBLE	AMOUNT
Class I -- Diagnostic & Preventive Services	None
Class II – Basic Services and Class III - Major Services Combined	\$50.00
COINSURANCE	PERCENTAGE PAYABLE
Class I – Diagnostic & Preventive Services	100%
Class II – Basic Services	80%
Class III – Major Services	20% Day One, 50% After Year One
WAITING PERIOD	TIME FRAME
Class I– Diagnostic & Preventive Services	None
Class II– Basic Services	None
Class III– Major Services	None
MAXIMUM BENEFIT	AMOUNT
Annual Maximum Benefit per Calendar Year	\$1,500, \$3,000, or \$5,000
Implant Lifetime Maximum Benefit	\$3,000

You may obtain dental care for covered dental services from any licensed dentist. No matter which dentist you choose, you will be eligible for some level of benefits for covered dental services. However, when you use an in-network dentist who participates in the PPO network, that dentist has agreed to provide dental care at negotiated fees. For in-network dentists, you will not be responsible for the difference between your dentist’s submitted amount and the scheduled fee amount that the dentist has contractually agreed to accept as payment in full. The PPO network used by this policy is DenteMax Plus.

If you select a dentist who does not participate in the PPO network, your out-of-pocket expenses may be greater. For out-of-network dentists, you will be responsible for the difference between your dentist's submitted amount and our payment. The amount we use to calculate our payment will be the lesser of the dentist's submitted amount or the 80th percentile amount for covered dental services as identified by the Dental Charges Database.

**Waiting Period** – Covered dental services are subject to the waiting period shown in the above Dental Benefits Summary chart. You must satisfy the waiting period before benefits are paid for these services. The waiting period begins on the policy effective date and is applied once during the lifetime of your policy.

**Exclusions** -- Your policy pays benefits only for covered dental services. We will not pay benefits for:

- (a) first installation of a denture or fixed bridge, and any inlay and crown that serves as an abutment to replace congenitally missing teeth or to replace teeth all of which were lost while the person was not covered;
