¹Plans F and G also have a high deductible option which require first paying a plan deductible \$2,800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

²Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

Disclosure

Use this outline to compare benefits and premiums among policies.

Premium Information

The premium for your policy may change. Premium changes will occur on the first policy renewal date which coincides with or follows the policy anniversary date. However, we cannot make such a change unless we make the same change to all policies using this form issued in the same state to persons of the same classification. In no event will the premium rate increase more often than once during any 12-month period.

Risk Class Rating

If, according to our underwriting standards, you are overweight or underweight for your height, you will be considered to be a greater insurable risk. In such a case, your premium will be priced either as Class I – 10% or Class II – 20% higher than the rates illustrated, based on your Body Mass Index (BMI) reading. Risk class rating will not be applicable when you apply for coverage during an open enrollment or guaranteed issue period.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to 3300 Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

The policy may not fully cover all of your medical costs. Neither Omaha Insurance Company nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

Complete Answers Are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Exceptions and Limitations

We will not pay benefits for:

- (a) expense incurred while this policy is not in force, except as provided in the Extension of Benefits section;
- (b) hospital or skilled nursing facility confinement incurred during a Medicare Part A benefit period that begins while this policy is not in force;
- (c) that portion of any expense incurred which is paid for by Medicare;
- (d) services for non-Medicare eligible expenses, including, but not limited to, routine exams, take-home drugs, and eye refractions;
- (e) services for which a charge is not normally made in the absence of insurance; or
- (f) loss or expense that is payable under any other Medicare supplement insurance policy or certificate.

Refund of Unearned Premium

In the event of cancellation or death, we will promptly return the unearned portion of any premium paid. Termination of coverage will not affect any claim originating while the policy is in force.
