## OUTLINE OF MEDICARE SUPPLEMENT COVERAGE – COVER PAGE BENEFIT PLANS A, F, G, HIGH DEDUCTIBLE G AND N

This chart shows the benefits included in each of the standard Medicare supplement plans. Every company must make Plan A available. Some plans may not be available in your state. Only applicants **first** eligible for Medicare before 2020 may purchase Plans C, F and High Deductible F.

Note: A ✓ means 100% of the benefit is paid.

<sup>1</sup>Plans F and G also have a high deductible option which require first paying a plan deductible \$2,800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

<sup>2</sup>Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

<sup>3</sup>Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

### **Disclosures**

Use this outline to compare benefits and premiums among policies.

### **Premium Information**

The premium for your policy will change. Because the premium rate is based on your attained age, the premium will increase each year as you age. This annual premium change will occur on the first policy renewal date which coincides with or follows the policy anniversary date.

A premium change for any other reason can occur on any policy renewal date. However, we cannot make such a change unless we make the same change to all policies using this form issued in the same state to persons of the same classification.

### **Risk Class Rating**

If, according to our underwriting standards, you are overweight or underweight for your height, you will be considered to be a greater insurable risk. In such a case, your premium will be priced either as Class I – 10% or Class II – 20% higher than the rates illustrated, based on your Body Mass Index (BMI) reading. Risk class rating will not be applicable when you apply for coverage during an open enrollment or guaranteed issue period.

### **Household Premium Discount**

You are eligible for a household premium discount if: (a) you reside with your spouse (including civil union/domestic partner) of any age or (b) for the past year you have resided with at least one, but not more than three, other adults who are age 60 or older. The discounted premium will be priced 12% lower than the rates illustrated. The policy's household premium discount will be removed if the other adult or spouse no longer resides with you (other than in the case of his or her death).

### **Read Your Policy Very Carefully**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

### **Right to Return Policy**

If you find that you are not satisfied with your policy, you may return it to 3300 Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

### **Policy Replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

### **Notice**

The policy may not fully cover all of your medical costs. Neither we nor our agents are connected with Medicare. This outline of coverage does not give all the details of Medicare Coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

### **Complete Answers Are Very Important**

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

### **Exclusions**

Exclusions apply to your coverage. Please be sure to review the exclusions in your policy. This policy does not cover Part A benefits for benefit periods that begin while this policy is not in force, and other exclusions apply.

# I. Agreement and Authorization

## IMPORTANT STATEMENTS

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- If you are age 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

Depending on the amount of time elapsed between the policy date and the date the policy is placed in force, the amount of the first ongoing withdrawal may exceed one modal premium and may occur on a date other than the policy date. The Proposed Insured(s) will not receive premium billing notices while on this premium payment option. We CANNOT establish electronic payments from foreign banks.

Each month, payments will be automatically deducted from the account below on the day selected above. ## NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

### Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy or certificate to be issued by Omaha Insurance Company. Your new policy or certificate will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy or certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy or certificate.

### Statement to Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy or certificate will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy or certificate is being purchased for the following reason(s) (check one):

#### Applicant A

- Additional benefits
- No change in benefits, but lower premiums
- Fewer benefits and lower premiums
- My plan has outpatient prescription drug coverage and I am enrolling in Part D
- Disenrollment from a Medicare Advantage Plan (Please explain reason for disenrollment)
- Other (please specify)

#### Applicant B

- Additional benefits
- No change in benefits, but lower premiums
- Fewer benefits and lower premiums
- My plan has outpatient prescription drug coverage and I am enrolling in Part D
- Disenrollment from a Medicare Advantage Plan (Please explain reason for disenrollment)
- Other (please specify)

- Health conditions which you may presently have may not be immediately or fully covered under the new policy or certificate. This could result in denial or delay of a claim for benefits under the new policy or certificate, whereas a similar claim might have been payable under your present policy or certificate.
- Section 363(7)(b) of the Illinois Insurance Code provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy or certificate for similar benefits to the extent such time was spent under the original policy or certificate.
- If, you still wish to terminate your present policy or certificate or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy or certificate until you have received your new policy or certificate and are sure that you want to keep it.

## NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

### Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy or certificate to be issued by Omaha Insurance Company. Your new policy or certificate will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy or certificate. You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy or certificate.

### Statement to Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy or certificate will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy or certificate is being purchased for the following reason(s) (check one):

#### Applicant A

- Additional benefits
- No change in benefits, but lower premiums
- Fewer benefits and lower premiums
- My plan has outpatient prescription drug coverage and I am enrolling in Part D
- Disenrollment from a Medicare Advantage Plan (Please explain reason for disenrollment)
- Other (please specify)

#### Applicant B

- Additional benefits
- No change in benefits, but lower premiums
- Fewer benefits and lower premiums
- My plan has outpatient prescription drug coverage and I am enrolling in Part D
- Disenrollment from a Medicare Advantage Plan (Please explain reason for disenrollment)
- Other (please specify)

- Health conditions which you may presently have may not be immediately or fully covered under the new policy or certificate. This could result in denial or delay of a claim for benefits under the new policy or certificate, whereas a similar claim might have been payable under your present policy or certificate.
- Section 363(7)(b) of the Illinois Insurance Code provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy or certificate for similar benefits to the extent such time was spent under the original policy or certificate.
- If, you still wish to terminate your present policy or certificate or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy or certificate until you have received your new policy or certificate and are sure that you want to keep it.

### Illinois Civil Union Law Notice

Signed by Governor Quinn on January 31, 2011, the Religious Freedom Protection and Civil Union Act (Public Act 96-1513, the "Civil Union Law") allowed both same-sex and different-sex couples to enter into a civil union with all of the obligations, protections, and legal rights that Illinois provides to married heterosexual couples. A civil union is a legal relationship granted to unmarried adult partners by the State of Illinois. The Civil Union Law ensures that civil unions and marriage are treated identically under Illinois law. For purposes of Illinois law, the term "spouse" (and other terms that denote the spousal relationship) now includes a party to a civil union.

This notice is to inform you that in compliance with the Act, effective June 1, 2011, under all Mutual of Omaha Insurance Company or its affiliated companies insurance policies and riders covering Illinois residents, any benefit, coverage or right, governed by Illinois state law, provided to a person considered a spouse by marriage will also be provided to a party to a civil union and any benefit, coverage or right, governed by Illinois state law, provided to a child of a marriage will also be provided to a child of a civil union.

Federal law may impact how eligibility and benefits for certain insurance products are treated. For example, federal tax laws that afford favorable income-deferral options to an opposite-sex spouse under the Internal Revenue Code do not currently extend such rights to a same-sex spouse (e.g., the Federal Defense of Marriage Act).

More information of the act or how it affects insurance coverage is available by contacting the company.

### Notice of Information Practices

In the course of properly underwriting and administering your insurance coverage, we will rely heavily on information provided by you. We may also collect information from others, such as medical professionals who have treated you, hospitals, other insurance companies, and consumer reporting agencies.

In certain circumstances, and in compliance with applicable law, we or our reinsurers may also release your personal or privileged information in our/their files, to third parties without your authorization. Upon request, you have the right to be told about and to see a copy of items of personal information about you which appear in our files, including information contained in investigative consumer reports. You also have the right to seek correction of personal information you believe to be inaccurate.

In compliance with applicable law, we or our reinsurers may also release information in our/their files, including information in an application, to other insurance companies to which you apply for life or health insurance or to which a claim is submitted.

So that there will be no question that the insurance benefits will be payable at the time a claim is made, we urge you to review your application carefully to be sure the answers are correct and complete.

**THE POLICY PROVIDES LIMITED BENEFIT DENTAL COVERAGE ONLY.  
BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER ALL MEDICAL EXPENSES.**

**Read Your Policy Carefully** – This outline of coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

**Limited Benefit Dental-Only Insurance Coverage** – This policy is designed to provide you **ONLY** with limited benefit dental insurance coverage. Coverage is **NOT** provided for any other diseases or accidents.

**Benefits** – This is a Preferred Provider Organization (PPO) dental insurance policy that pays benefits for covered dental services provided by in-network and out-of-network dentists. It pays benefits for Diagnostic and Preventive Services, Basic Services, and Major Services. You may obtain dental care for covered dental services from any licensed dentist. No matter which dentist you choose, you will be eligible for some level of benefits for covered dental services. However, when you use an in-network dentist who participates in the PPO network, that dentist has agreed to provide dental care at negotiated fees. For in-network dentists, you will not be responsible for the difference between your dentist’s submitted amount and the scheduled fee amount that the dentist has contractually agreed to accept as payment in full. The PPO network used by this policy is DenteMax Plus.

If you select a dentist who does not participate in the PPO network, your out-of-pocket expenses may be greater. For out-of-network dentists, you will be responsible for the difference between your dentist’s submitted amount and our payment. The amount we use to

calculate our payment will be the lesser of the dentist's submitted amount or the 80th percentile amount for covered dental services as identified by the Dental Charges Database.

**Waiting Period** – Covered dental services are subject to the waiting period shown in the above Dental Benefits Summary chart. You must satisfy the waiting period before benefits are paid for these services. The waiting period begins on the policy effective date and is applied once during the lifetime of your policy.

**Multiple Procedure Limitations** – When two or more dental services are submitted and the dental services are considered part of the same service to one another, this policy will pay the most comprehensive service (the service that includes the other non-benefited service) as determined by us. When two or more dental services are submitted on the same day and the dental services are considered mutually exclusive (when one service contradicts the need for the other service), this policy will pay for the service that represents the final treatment as determined by us.
