Use this outline to compare benefits and premiums among policies.

Premium Information

The premium for your policy will change. Because the premium rate is based on your attained age, the premium will increase each year as you age. This annual premium change will occur on the first policy renewal date which coincides with or follows the policy anniversary date.

A premium change for any other reason can occur on any policy renewal date. However, we cannot make such a change unless we make the same change to all policies using this form issued in the same state to persons of the same classification.

Risk Class Rating

If, according to our underwriting standards, you are overweight or underweight for your height, you will be considered to be a greater insurable risk. In such a case, your premium will be priced either as Class I – 10% or Class II – 20% higher than the rates illustrated, based on your Body Mass Index (BMI) reading. Risk class rating will not be applicable when you apply for coverage during an open enrollment or guaranteed issue period.

Household Premium Discount

You are eligible for a household premium discount if for the past year you have resided with at least one, but not more than three, other adults who are age 60 or older. If you live with another adult who is your legal spouse, we will waive both the one-year requirement and the age 60 requirement. For the purposes of this discount, a civil union partner or domestic partner will be considered a legal spouse when such partnerships are validated and recognized in your state of residence. The discounted premium will be priced 12% lower than the rates illustrated.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to 3300 Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

<u>Notice</u>

The policy may not fully cover all of your medical costs. Neither Omaha Insurance Company nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare Coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

Complete Answers Are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Exclusions

Exclusions apply to your coverage. Please be sure to review the exclusions in your policy. This policy does not cover Part A benefits for benefit periods that begin while this policy is not in force, and other exclusions apply.

IMPORTANT STATEMENTS

- You do not need more than one Medicare supplement policy.
- If you are age 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement
 insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare
 Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by Omaha Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement to Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason(s) (check one):

If, you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy or certificate until you have received your new policy and are sure that you want to keep it.

DENTAL BENEFITS SUMMARY

You may obtain dental care for covered dental services from any licensed dentist. No matter which dentist you choose, you will be eligible for some level of benefits for covered dental services. However, when you use an in-network dentist who participates in the PPO network, that dentist has agreed to provide dental care at negotiated fees. For in-network dentists, you will not be responsible for the difference between your dentist's submitted amount and the scheduled fee amount that the dentist has contractually agreed to accept as payment in full. The PPO network used by this policy is DenteMax Plus.

If you select a dentist who does not participate in the PPO network, your out-of-pocket expenses may be greater. For out-of-network dentists, you will be responsible for the difference between your dentist's submitted amount and our payment. The amount we use to

calculate our payment will be the lesser of the dentist's submitted amount or the 80th percentile amount for covered dental services as identified by the Dental Charges Database.

<u>Waiting Period</u> – Covered dental services are subject to the waiting period shown in the above Dental Benefits Summary chart. You must satisfy the waiting period before benefits are paid for these services. The waiting period begins on the policy effective date and is applied once during the lifetime of your policy.

Exclusions -- Your policy pays benefits only for covered dental services. We will not pay benefits for:

<u>Multiple Procedure Limitations</u> – When two or more dental services are submitted and the dental services are considered part of the same service to one another, this policy will pay the most comprehensive service (the service that includes the other non-benefited service) as determined by us. When two or more dental services are submitted on the same day and the dental services are considered mutually exclusive (when one service contradicts the need for the other service), this policy will pay for the service that represents the final treatment as determined by us.

<u>Multiple Procedure Limitations</u> – When two or more dental services are submitted and the dental services are considered part of the same service to one another, this policy will pay the most comprehensive service (the service that includes the other non-benefited service) as determined by us. When two or more dental services are submitted on the same day and the dental services are considered mutually exclusive (when one service contradicts the need for the other service), this policy will pay for the service that represents the final treatment as determined by us.

<u>Guaranteed Renewable For Life</u> – The policy is guaranteed renewable for life. We cannot cancel your policy as long as you pay the required premium before the end of each grace period.

Premiums Can Change – We will not increase your policy's premium due to any change in your health. However, we can change premiums if we make the same change to all policies of this form issued to persons of the same class. We will give you the 60 days advance notice required by your state prior to any such premium change.
