OUTLINE OF MEDICARE SUPPLEMENT COVERAGE
POLICY FORMS NM39 and NM38
The Wisconsin Insurance Commissioner has set minimum standards for Medicare Supplement policies. This policy meets these standards. It, along with Medicare, may not cover all your medical costs. You should review carefully all policy limitations. For an explanation of these standards and other important information, see "Wisconsin Guide to Health Insurance for People with Medicare" given to you when you applied for this policy. Do not buy this policy if you did not get this guide.

## PREMIUM INFORMATION:

The premium for your policy will change. The premium will increase each year as you age. This annual premium change will occur on the first policy renewal date which coincides with or follows the policy anniversary date. We may also change the premium for your policy for reasons other than your attained age. A premium change for any other reason can occur on any policy renewal date. However, we cannot make such a change unless we make the same change to all policies of this form issued in the same state to persons of the same classification. We will give you the advance written notice required by your state before we change your premium.

## HOUSEHOLD PREMIUM DISCOUNT

You are eligible for a $12 \%$ household premium discount if for the past year you have resided with at least one, but no more than three, other adults who are age 60 or older. If you live with another adult who is your legal spouse, we will waive both the one-year requirement and the age 60 requirement. For the purposes of this discount,
 additional documentation to determine eligibility. Your premium will be reduced by the percentage shown on the policy schedule. Your policy's household premium discount will be removed if the other adult no longer resides with you (other than in the case of his or her death).
Use this outline of coverage to compare benefits and premiums among policies.

## READ YOUR POLICY VERY CAREFULLY:

This is only an outline of coverage describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and us.

## RIGHT TO RETURN POLICY:

If you find that you are not satisfied with your policy, you may return it to us at Mutual of Omaha Plaza, Omaha, NE 68175.
If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments directly to you.
POLICY REPLACEMENT:
If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.
NOTICE:
The policy may not fully cover all of your medical costs.

## I. Agreement and Authorization

## IMPORTANT STATEMENTS

■ You do not need more than one Medicare supplement policy.

- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- If you are age 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

- I authorize any physician, medical or dental practitioners, hospitals, clinics, pharmacies, pharmacy benefit managers, other medical care facilities, health maintenance organizations and all other providers of medical or dental services, the group of companies which presently includes Mutual of Omaha Insurance Company, United World Life Insurance Company, United of Omaha Life Insurance Company, Companion Life Insurance Company, and any additional companies which may become part of this group of companies and their successors, along with other persons and entities which act on behalf of those companies to provide services to them, employers, consumer reporting agencies, and other insurance companies to disclose Personal Information about me to Omaha Insurance Company. Unless revoked earlier, this authorization will remain in effect for 24 months from the date I sign this application. I understand that I may revoke this authorization at any time, by written notice to: ATTN: Individual Underwriting, Omaha Insurance Company,
[P.O. Box 3608, Omaha, NE 68103-3608]. I realize that my right to revoke this authorization is limited to the extent that Omaha Insurance Company has taken action in reliance on the authorization or the law allows Omaha Insurance Company to contest the issuance of the policy or a claim under the policy.
- "Personal Information" means all health information, such as medical history, mental and physical condition, including the presence of HIV infection, AIDS or ARC, prescription drug records, drug and alcohol use and other information such as finances, occupation, general reputation and insurance claims information about me. Personal Information does not include Psychotherapy Notes, which are notes recorded by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a counseling session, which notes are separated from the rest of the person's medical record. Certain information, such as that relating to prescriptions, diagnosis and functional status, is not included in the term Psychotherapy Notes.
- The Personal Information will be used to determine my eligibility for insurance and to resolve or contest any issues of incomplete, incorrect or misrepresented information on my application which may arise during the processing of my application or in connection with claims for insurance benefits. This authorization will not be used if the applicant is in an open enrollment or guaranteed issue period.
- If the person or entity to whom Personal Information is disclosed is not a health care provider or health plan subject to federal privacy regulations, the Personal Information may then be subject to further disclosure by that person or entity without the protections of the federal privacy regulations.
- I understand that I may refuse to sign this application. I realize that if I refuse to sign, the insurance for which I am applying will not be issued.
- I understand that I will receive a copy of the signed application. A copy of this application is as effective as the original. I acknowledge and agree that if there is more than one applicant on this application, all information provided may be reviewed or shared with the other applicant. I understand that, upon acceptance of the completed application, each applicant will receive a separate policy and a completed and signed application will become part of each applicant's policy.
I represent that my answers and statements on this application are true and complete to the best of my knowledge and belief. I understand that my policy benefits can start no earlier than my Medicare effective date, my first month's premium has been received and/or processed and my application has been approved by Omaha Insurance Company.
I acknowledge receipt of the Wisconsin Guide to Health Insurance for People with Medicare and an Outline of Coverage.

## NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT, MEDICARE COST, MEDICARE SELECT, MEDICARE ADVANTAGE OR EXISTING ACCIDENT AND SICKNESS INSURANCE

## Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement, Medicare cost, Medicare select or Medicare Advantage insurance and replace it with a policy to be issued by Omaha Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.
You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement, Medicare cost, Medicare select or Medicare Advantage coverage is a wise decision, you should terminate your present Medicare supplement, Medicare cost, Medicare select or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

You may obtain dental care for covered dental services from any licensed dentist. No matter which dentist you choose, you will be eligible for some level of benefits for covered dental services. However, when you use an in-network dentist who participates in the PPO network, that dentist has agreed to provide dental care at negotiated fees. For in-network dentists, you will not be responsible for the difference between your dentist's submitted amount and the scheduled fee amount that the dentist has contractually agreed to accept as payment in full. The PPO network used by this policy is DenteMax Plus.

If you select a dentist who does not participate in the PPO network, your out-of-pocket expenses may be greater. For out-of-network dentists, you will be responsible for the difference between your dentist's submitted amount and our payment. The amount we use to
calculate our payment will be the lesser of the dentist's submitted amount or the 80th percentile amount for covered dental services as identified by the Dental Charges Database.
