2 Other Coverage Information

- You do not need more than one Medicare Supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medi-Cal or Medicaid and may not need a Medicare Supplement policy.
- If, after purchasing this policy, you become eligible for Medi-Cal or Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medi-Cal or Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medi-Cal or Medicaid. If you are no longer entitled to Medi-Cal or Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medi-Cal or Medicaid eligibility.*
- If you are eligible for, and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.*

  *If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services are available in this state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the Medi-Cal program, including benefits as a qualified Medicare beneficiary (QMB) and a specified low-income Medicare beneficiary (SLMB). If you want to discuss buying Medicare supplement insurance with a trained insurance counselor, call the California Department of Insurance's toll-free telephone number 1-800-927-HELP, or access the department's Internet Web site, www.Insurance.ca.gov, and ask how to contact your local Health Insurance Counseling and Advocacy Program (HICAP) office. HICAP is a service provided free of charge by the State of California.
- A rate guide is available that compares the policies sold by different insurers. You can obtain a copy of this rate guide by calling the Department of Insurance's consumer toll-free telephone number (1-800-927-HELP), by calling the Health Insurance Counseling and Advocacy Program (HICAP) toll-free telephone number (1-800-434-0222), or by accessing the Department of Insurance's Internet Web site (www.Insurance.ca.gov).

Section 9 – Open Enrollment and Guaranteed Issue Guidelines

In some situations, you are eligible for Open Enrollment or Guaranteed Issue of a Medicare Supplement Plan. If one of the following conditions applies to you, you are eligible for a Medicare Supplement Plan on a guaranteed acceptance basis ("Eligible Person") and do not complete the medical questions in Section 4 of the Application.

Open Enrollment

You are eligible for Open Enrollment if you meet one of the following requirements

A. You apply for a Medicare Supplement Plan insurance policy prior to or during the six- month period beginning with the first day of the month in which you are enrolled for benefits under Medicare Part B and:
   (i) You are at least age 65, or
   (ii) You are less than age 65 and eligible for Medicare on account of total disability (other than End Stage Renal Disease). If you are notified retroactively of your eligibility for Medicare, you are eligible for the six month period following notice of eligibility.

B. You are enrolled in Medicare Part B and you apply for a Medicare Supplement Policy within six months of one of the following events:
   (i) You are enrolled in an employer sponsored health plan (including an employer sponsored retiree health plan, COBRA and Cal-COBRA) and
      • the plan terminates, or
      • you are enrolled under the plan as a spouse and are losing coverage under the plan due to death or divorce from your spouse, or
   (ii) You are a military retiree or the spouse or dependent of a military retiree and you are losing access to health care services as the result of a military base closure, the base no longer offers services or you relocate, or
   (iii) You are covered under a Medicare supplement policy and coverage terminated because you established residency in a location not served by the issuer of the Medicare supplement policy for which you are enrolled, or
   (iv) Due to an increase in your income or assets, you are no longer eligible for Medi-Cal benefits, or you are only eligible for Medi-Cal benefits with a share of cost and you certify at the time of application that you have not met the share of cost.
   (v) If you are enrolled in a Medicare Advantage plan and that coverage is terminated by the Medicare Advantage plan, you are entitled to an additional 60-day open enrollment period to be added on to and run consecutively after any open enrollment period authorized by federal law or regulation.

C. If you are enrolled in a Medicare supplement policy, you may change your plan or insurer during an annual open enrollment period of 60 days beginning on your birthday. Your purchase is limited to any Medicare supplement policy that offers benefits equal to or lesser than those provided by the previous coverage.

You must submit evidence that you have Medicare Parts A and B with your Application.

With respect to the Open Enrollment events outlined previously:

Pre-Existing Conditions - This policy does not pay benefits for loss which occurs within 90 days after the effective date as a result of a pre-existing condition. A pre-existing condition is any injury or illness for which the insured has received or has had recommended, medical advice or treatment during the six months before the effective date. Please note that pre-existing conditions will be covered after 90 days from the effective date. This exclusion does not apply to loss which occurs more than 90 days after the effective date.

If you apply for the policy during the 6 month period beginning with the first of the month in which you are eligible, and as of the date you apply you had a continuous period of Creditable Coverage of at least 90 days, the pre-existing conditions limitation will not apply to you.

If you apply for the policy during the 6 month period beginning with the first of the month in which you eligible, and as of the date you apply you had a continuous period of Creditable Coverage of less than 90 days, the pre- existing conditions limitation will be reduced by the aggregate of the period of Creditable Coverage applicable as of your

enrollment date.

With respect to Guaranteed Issue outlined below, the pre-existing conditions exclusion will not be applied.

Guaranteed Issue

You are eligible for Guaranteed Issue for a Medicare Supplement Plan policy if you apply for the policy in the Guaranteed Issue Time Periods described below and you meet one of the following conditions:

1. You are enrolled in an employee welfare benefit plan that provides health benefits that supplement the benefits under Medicare, and
   - the plan terminates or ceases to provide such supplemental health benefits to you; or
   - the employer no longer provides you with insurance that covers all of the payment for the 20% coinsurance.
2. You are enrolled with a Medicare Advantage organization under a Medicare Advantage Plan (the "Plan") under Medicare Part C or under a Program of All-Inclusive Care for the Elderly (PACE) and any of the following apply:
   - The certification of the organization or plan under this part has been terminated; or
   - The organization has terminated or otherwise discontinued providing the Plan in the area in which you reside; or
   - You are no longer eligible to elect the Plan because:
     (i) of a change in your place of residence or other change in circumstances specified by the Secretary of the Department of Health and Human Services (the "Secretary"), excluding those circumstances where you were disenrolled from the Plan for any of the reasons described in Section 1851 (g)(3)(B) of the federal Social Security Act (e.g., where you have not paid premiums on a timely basis, or you have engaged in disruptive behavior as specified in standards under Section 1856); or
     (ii) the Plan is terminated for all enrollees residing within a particular residential service area.
   - You are enrolled in a Medicare Advantage Plan and that plan reduces benefits, increases the amount of cost sharing or premium or discontinues for other than good cause relating to quality of care, its relationship or contract under the plan with a provider who is currently furnishing services to you. Under this subparagraph, you may be eligible for a Medicare supplement policy issued by the same issuer through which you were enrolled at the time the reduction, increase or discontinuance occurred or one issued by a subsidiary of the parent company of that issuer or by a network that contracts with the parent company of that issuer. If no Medicare supplement contract is available to you from the same issuer, a subsidiary of the parent company of that issuer or a network that contracts with the parent company of the issuer, you may be eligible for a Medicare supplement policy if the Medicare Advantage plan in which you are enrolled does any of the following:
     (i) increases the premium by 15 percent or more;
     (ii) increases physician, hospital or drug copayments by 15 percent or more;
     (iii) reduces any benefits under the plan; or
     (iv) discontinues, for other than good cause relating to quality of care, it's relationship or contract under the plan with a provider who is currently furnishing services to the individual,

     However, enrollment shall be permitted only during the annual election period for a Medicare Advantage plan, except where the Medicare Advantage plan has discontinued its relationship with a provider currently providing services to you.
   - You demonstrate, in accordance with guidelines established by the Secretary, that:
     (i) The organization offering the Plan substantially violated a material provision of the organization's contract with the Centers for Medicare and Medicaid Services in relation to you, including the failure to provide you, on a timely basis, with medically necessary care for which benefits are available under the Plan, or the failure to provide such covered care in accordance with applicable quality standards; or
     (ii) The organization or agent or other entity acting on the organization's behalf, materially misrepresented the Plan's provisions in marketing the Plan to you; or
   - You meet such other exceptional conditions as the Secretary may provide.

3. You are enrolled with:
   - An eligible organization under a contract under Section 1876 (Medicare cost); a similar organization operating under demonstration project authority, effective for periods before April 1, 1999; an organization under agreement under section 1833(a)(1)(A) (health care prepayment plan); or an organization under a Medicare SELECT policy; and
   - Your enrollment ceases under the same circumstances that would permit discontinuance of an individual's election of coverage under Guaranteed Issue situation #2 above.
4. You are enrolled in a Medicare supplement policy and the enrollment ceases because:
   - Of the insolvency of the issuer or bankruptcy of the non-issuer organization; or
   - Of other involuntary termination of coverage or enrollment under the policy; or
   - The issuer of the policy substantially violated a material provision of the policy; or
   - The issuer or an agent or other entity acting on the issuer's behalf, materially misrepresented the policy's provisions in marketing the policy to you.
5. You were enrolled under a Medicare supplement policy and you terminate enrollment and subsequently enroll, for the first time, with (1) any Medicare Advantage organization under a Medicare Advantage Plan under Medicare Part C; (2) any eligible organization under a contract under Section 1876 (Medicare cost); (3) any similar organization operating under demonstration project authority; (4) any PACE program under Section 1894 of the Social Security Act; (5) any organization under an agreement under Section 1833(a)(1)(A) (health care prepayment plan); or (6) a Medicare SELECT policy, and enrollment under this section is terminated by you during any period within the first 12 months of such subsequent enrollment (during which you are permitted to terminate such subsequent enrollment under Section 1851(e) of the federal Social Security Act).
6. You, upon first becoming enrolled for benefits under Medicare Part A at age sixty-five or older, enroll in a Medicare Advantage Plan under Medicare Part C, or in a PACE program under Section 1894 of the Social Security Act, and disenroll from the plan no later than 12 months after the effective date of enrollment.
7. You enroll in a Medicare Part D plan during the initial enrollment period and, at the time of enrollment in Part D, were enrolled under a Medicare supplement policy that covers outpatient prescription drugs and you terminate enrollment in the Medicare supplement policy and submit evidence of enrollment in Medicare Part D along with the application for a policy.

Guaranteed Issue Time Periods

- In the case of an individual described in situation #1, the guaranteed issue period begins on the later of: (i) the date you receive a notice of termination or cessation of all supplemental health benefits (or, if a notice is not received, notice that a claim has been denied because of such a termination or cessation); or (ii) the date that the applicable coverage terminates or ceases; and ends sixty-three (63) days after the date of the applicable notice;
- In the case of an individual described in situations #2, #3, #5 or #6 whose enrollment terminated involuntarily, the guaranteed issue period begins on the date that you receive a notice of termination and ends sixty-three (63) days after the date the applicable coverage is terminated;

- In the case of an individual described in situations #2, #4 (issuer or the policy substantially violated a material provision of the policy), #4 (the issuer or an agent or other entity acting on the issuer's behalf, materially misrepresented the policy's provisions in marketing the policy to you), #5 or #6 who disenrolls voluntarily, the guaranteed issue period begins on the date that is sixty (60) days before the effective date of the disenrollment and ends on the date that is sixty-three (63) days after the effective date;
- In the case of an individual described in situation #7, the guaranteed issue period begins on the date you receive notice from the Medicare supplement issuer during the sixty (60) day period immediately preceding the Part D enrollment period and ends on the date that is sixty-three (63) days after the effective date of the individual's coverage under Medicare Part D;

- In the case of an individual described in this Guaranteed Issue Guide but not described in the preceding situations, the guaranteed issue period begins on the effective date of disenrollment and ends on the date that is sixty-three (63) days after the effective date.

Notice to Applicant Regarding Replacement of Medicare Supplement Insurance or Medicare Advantage

Humana Benefit Plan of Illinois, Inc. dba Humana Benefit Insurance Plan of Illinois, Inc.
• P.O. Box 14309, Lexington, KY 40512-4309

Save this notice! It may be important to you in the future.

If you intend to cancel or terminate existing Medicare Supplement or Medicare Advantage insurance and replace it with coverage issued by Humana Benefit Plan of Illinois, Inc. dba Humana Benefit Insurance Plan of Illinois, Inc., please review the new coverage carefully and replace the existing coverage ONLY if the new coverage materially improves your position. DO NOT CANCEL YOUR PRESENT COVERAGE UNTIL YOU HAVE RECEIVED YOUR NEW POLICY AND ARE SURE THAT YOU WANT TO KEEP IT.

If you decide to purchase the new coverage, you will have 30 days after you receive the policy to return it to the insurer, for any reason, and receive a refund of your money.

If you want to discuss buying Medicare Supplement or Medicare Advantage coverage with a trained insurance counselor, call the California Department of Insurance's toll-free number, 1-800-927-HELP, and ask how to contact your local Health Insurance Counseling and Advocacy Program (HICAP) office. HICAP is a service provided free of charge by the State of California.

Statement to the Applicant by Issuer, Agent (Broker or other Representative)

I have reviewed your current health insurance coverage. To the best of my knowledge, the replacement of insurance involved in this transaction does not duplicate coverage or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. In addition, the replacement coverage contains benefits that are clearly and substantially greater than your current benefits for the following reasons:

The replacement policy/certificate is being purchased for the following reason (check one):

- ☐ additional benefits
- ☐ fewer benefits and lower premiums
- ☐ my plan has outpatient prescription drug coverage and I am enrolling in Part D
- ☐ disenrollment from a Medicare Advantage plan (please explain reason for disenrollment)
- ☐ no change in benefits, but lower premiums
- ☐ other (please specify)

_____

_____

1. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy. Note: If the issuer of the Medicare supplement policy being applied for does not impose, or is otherwise prohibited from imposing, preexisting condition limitations, please skip to statement 3 below.
2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.
3. If you still wish to terminate your present policy/certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy/certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy/certificate until you have received your new policy/certificate and are sure that you want to keep it.
