**Benefit Amounts:** \$200, \$400, \$600 Max Per Day

1. The applicant must be a U.S. citizen or hold a “green card” (permanent resident of US). We will not consider any applicant that has a temporary visa, work or otherwise. The applicant also must have a valid social security number. We will not consider any applicant without one.
2. The agent must be health licensed and use the state approved application in the state where the applicant has permanent residency.
3. If the application is over 31 days old when received by the Company, a new currently dated Application will be required.
4. The effective date cannot be more than 90 days from the application date or prior to the application date.
5. The draft date cannot be more than 15 days before or after the effective date.
6. Insurability will be determined by the answers to the medical questions. If any answer is yes, the applicant does not qualify. Also, if the applicant has any prior GTL coverage, claim history will be reviewed in determining insurability.
7. The applicant can only have one Short Term Home Health Care in force at any one time. The Maximum coverage for this plan is Option C (\$600). However, if the applicant wants additional home health coverage, please see the Maximum Home Health Care Benefit Chart.
8. If Increasing Benefits: a new application must be completed and the applicant must meet underwriting standards. If approved, we will apply those changes to the original policy. (Note: We do not permit replacement of a policy written by another agent.) The current age of the applicant will be used to determine premium rates.
9. No replacements will be allowed for the new increase from an existing Option C (\$450) to the new Option C to \$600. Should an insured cancel their Short-Term Home Health Care policy, a 6 month waiting period must occur before they apply again.

11. The maximum Hospital Indemnity/Accident & Sickness Hospitalization Rider benefit for this plan is \$300/day between all products (GTL & UNL) that have this same Rider.
12. Riders must be sold within the base option group applied for. For example, if applying

13. While the height and weight are asked for on the application, at this time they will not be used in underwriting the application
14. A policy can be considered for reinstatement if not lapsed more than 6 months. If more than 6 months, a new application should be submitted.
